The Portland Brain Tumor Walk is participating with the Featured Fundraiser Program with Oregon BottleDrop!

Do you have bottles and cans that are ready to be recycled? Please donate them to our fundraising account! It’s quick and simple to do:

If you already have a personal BottleDrop account:
You can donate your deposit to the Portland Brain Tumor Walk through your online account at BottleDropCenters.com

1. Simply login to your account then click on Donate to a Fundraiser.
2. From this page, search for Portland Brain Tumor Walk, click on the logo
3. Then click Donate Now.
4. Type in your desired donation amount then click Donate Now. You’re all done!

If you do not have a BottleDrop account:
You can pick up a roll of blue bags from your nearby BottleDrop center. You will receive 10 blue collection bags and 10 barcode stickers.

1. Affix a barcode sticker to each bag then start collecting your cans and bottles.
2. Once your bag is full, bring it back to the BottleDrop center.
3. Scan the barcode label at the secure drop door – Up to 10 bags can be dropped off daily from 6am-10pm.

To find the BottleDrop center nearest you, please visit BottleDropCenters.com/locations

If you have any questions, please contact Ashley at AshleyNBTS@gmail.com

Thank you for your support!!!
