MAKE IT A VIRTUAL RELAY

TAG, YOU’RE IT

GRAB YOUR FRIENDS AND FAMILY

GO THE COLLECTIVE DISTANCE

Make a goal of 50, 100, or even 200 miles!
Ask friends & family to donate for every mile you finish.
You can track your mileage on apps such as MapMyRun, Strava, etc.

Create a Facebook page so everyone can post their miles and be sure to link your team fundraising page so people know where to donate!

If you need help finding the link or setting it up, reach out to your local director.
